**A message  
from our Managing Director  
Hema Mehta**

*For me, Cleanspec is a culmination of what I've learnt from nearly two decades worth of experience in the Cleaning Industry. Being involved in both cleaning and administrative capacities, I've been fortunate enough to learn what works and what doesn't for clients. Often, it's as simple as sticking to the core fundamentals - quality, affordability and timeliness. And it's these three things that I ensure to be at the heart of each and every one of Cleanspec's operations. I look forward to the opportunity of developing a long-standing partnership with you.*

### **Kirsty, Ryders Cinema and Restaurant**

*“Cleanspec has done business with our company for a few years now. During our partnership together, they have provided us with a top-quality Cleaning Service. What we have learned in dealing with them is they will take that extra step to make sure things are done correctly. They also will take that personal touch that goes above and beyond and is sorely missed in today’s business world. They will take it upon themselves without direction from us to do extras they see needs done. If you chose to do business with them I’m sure you will find the service to be more than fair for the value, you are receiving. Their fast friendly follow up on any added services that we may ask for is second to none. Our partnership with Hema has helped us build a strong rapport and we know we can count on them to handle each and every need we may have. I recommend you giving them a try as I’m quite sure you will be completely satisfied.”*
